

IN THE DRAWINGS

Replace figures 1-6 with new figures 1-6 attached hereto. The attached new five sheets of drawings replace the original drawings of all figures 1-6. The attached new figures 1-3 are substantially identical to original figures 1-3 but includes clarified lead lines and reference numerals. New figures 4-6 are also substantially identical to original figures 4-6 and also include clarified lead lines and reference numerals. In addition, attached new figures 4-6 show the direct reflected light (RL) which is outside the observation channel.
